Our Firm

We are a national large-scale law firm, founded 25 years ago, following the markets in which our clients operate. Thus, we observe the demands from a global and multidisciplinary perspective, always privileging the benefits arising from a collaborative environment, developed by highly trained and updated teams.

We build lasting relationships, based on trust and transparency, and we strive for the joint action of specialized professionals in different areas of law, enabling the presentation of solutions that add value to the business.

We emphasize loyalty in professional relationships, supporting people, diversity, and a collaborative environment with technical training.

We are gradually growing, expanding our operation, with offices in São Paulo, Recife and Brasília. In addition, we also have a network of qualified legal correspondents throughout the national territory.
