## LABOR AND EMPLOYMENT

Our Labor and Employment practice area focus on advisory, litigation and administrative areas, in preventive or litigation matters, including different business sectors. We act before the Regional Secretariat for Labor and Employment, Labor Courts, and the Public Ministry of Labor. Our work includes: definition of strategies; preparation of legal theses, due diligence, reports, opinions, judicial and extrajudicial agreements, lifting of permits and all other routines of labor litigation, advisory and administrative matters.

## Our Firm

We are a national large-scale law firm, founded 25 years ago, following the markets in which our clients operate. Thus, we observe the demands from a global and multidisciplinary perspective, always privileging the benefits arising from a collaborative environment, developed by highly trained and updated teams.

We build lasting relationships, based on trust and transparency, and we strive for the joint action of specialized professionals in different areas of law, enabling the presentation of solutions that add value to the business.

We emphasize loyalty in professional relationships, supporting people, diversity, and a collaborative environment with technical training.

We are gradually growing, expanding our operation, with offices in São Paulo, Recife and Brasília. In addition, we also have a network of qualified legal correspondents throughout the national territory.
