## DIGITAL LAW, PRIVACY AND DATA PROTECTION

We offer creative and customized legal solutions, in order to guarantee the union between the Law and the technology, in a full-service performance that ranges from the structuring of the Compliance Program in Privacy and Personal Data Protection to consulting, training and administrative and judicial litigation.

Thus, the performance embrace the evaluation, analysis and implementation of the Privacy Governance structure, in addition to the mapping of internal processes and procedures, risk analysis and application of controls – such as the elaboration and review of policies and other internal corporate documents; preparation, analysis and review of contracts that cover issues related to the processing of personal data; as well as assistance in the preparation of the impact report for the protection of personal data and the assessment of legitimate interest.

Likewise, we cover consultancy and legal advice on various topics and the carrying out of training and other actions aimed at creating a culture of conscience and good practices in privacy, including the preparation of educational materials to employees.

In addition, our work includes legal advice with regulatory and supervisory authorities, especially in cases of data breach incidents. And, moreover, it achieves the sponsorship of interests and rights in administrative and judicial litigation.

## Our Firm

We are a national large-scale law firm, founded 25 years ago, following the markets in which our clients operate. Thus, we observe the demands from a global and multidisciplinary perspective, always privileging the benefits arising from a collaborative environment, developed by highly trained and updated teams.

We build lasting relationships, based on trust and transparency, and we strive for the joint action of specialized professionals in different areas of law, enabling the presentation of solutions that add value to the business.

We emphasize loyalty in professional relationships, supporting people, diversity, and a collaborative environment with technical training.

We are gradually growing, expanding our operation, with offices in São Paulo, Recife and Brasília. In addition, we also have a network of qualified legal correspondents throughout the national territory.
