

A thin red line starts horizontally from the left edge, then slopes downward to the right, and finally continues vertically down to the bottom edge.

SERUR ■ ADVOGADOS

Serur Advogados

Large-scale firm, including partners with high technical knowledge. Fast and personalized customer service"

The Legal 500

Our firm

We are a national full service law firm, founded 25 years ago, following the markets in which our clients operate. Thus, we observe the demands from a global and multidisciplinary perspective, always privileging the benefits arising from a collaborative environment, developed by highly trained and updated teams.

We build lasting relationships, based on trust and transparency, and we strive for the joint action of specialized professionals in different areas of law, enabling the presentation of solutions that add value to the business.

We emphasize loyalty in professional relationships, supporting people, diversity, and a collaborative environment with technical training.

We are gradually growing, expanding our operation, with offices in São Paulo, Recife and Brasília. In addition, we also have a network of qualified legal correspondents throughout the national territory.

+Diversidade

Since the creation of the firm, Diversity and Inclusion have always been pillars of Serur Advogados. The firm understands that a diverse and inclusive environment increases the integration between everyone, enabling a better learning experience and transforming the work environment into a welcoming and safe place, where people can express themselves freely and be who they are. Therefore, we work continuously to reduce existing inequalities.

The +Diversidade Committee was created in 2018 aiming to contribute with educational and practical measures to implement an increasingly plural and inclusive environment, embracing diversity of gender, sexuality, race, color, ethnicity, creed and minorities in general.

Serur Advogados operates nationally, strategically and comprehensively in several practice areas

ADMINISTRATIVE LAW AND REGULATORY

We advise on issues related to bids, concessions, permissions and contracts with the Public Administration, including project structuring and dialogue with the public sector. Our work includes: Action before regulatory agencies and in sanctioning administrative litigation, including all administrative courts in Brazil; Consultancy and preparation of opinions; Support in the legislative process or in the interpretation and discussion of laws and regulations; Action in judicial litigation, whether in the face of tax enforcement or with the filing of writs, ordinary or annulment actions appeals, up to the higher levels.

ADVOCACY

Our Law Firm undertakes Advocacy work that involves the involvement of professionals with specific training in norm drafting and legislative processes, with many years of distinguished service in the Legislative Branch and regulatory bodies.

ANTITRUST

We operate in administrative litigation, with expertise in representing clients before the Brazilian Administrative Council for Economic Defense (CADE), especially in investigations, administrative proceedings, proposals for leniency and settlement of agreements, and in judicial litigation, with the aim of repairing any damages caused by anticompetitive practices. We advise on structuring and reviewing commercial policies and practices, as well as compliance programs to mitigate competition risks. In addition, we assist our clients on other matters related to competition law, including notifications to third parties.

ARBITRATION

Dispute resolution, in Brazil and abroad, in accordance with different laws and rules (ICC, IACAC, UNCITRAL, CBMA and CCBC), especially in matters such as contracts, infrastructure, insurance and reinsurance; civil and business litigation.

BANKING AND FINANCE

High quality performance in the strategic and complex banking law area, with emphasis on the defense and advice of large institutions of the financial system in their most diverse credit operations, structuring of guarantees, recovery and renegotiation of debts, from products and banking services. Advice to fintech companies, by structuring products and obtaining of authorizations before the Brazilian central bank.

BANKRUPTCY

Bankruptcies; Judicial and extrajudicial recovery of companies; Due diligence for the acquisition of companies or their assets; Debt renegotiation and credit recovery.

CIVIL LITIGATION AND CONSUMER LAW

We act with agility and extensive technical knowledge in strategic demands of high complexity and high economic content civil litigation. We also have great expertise in representing companies in actions involving consumer relations.
